

Prelude Homes & Services NewsLetter

December 2024

Suddenly a great company of the heavenly host appeared with the angel, praising God and saying, "Glory to God in the highest heaven, and on earth peace to those on whom his favor rests" (Luke 2:13-14)

In this Advent season we light what is known as the peace candle. We all long for peace in our lives, and yet peace is often lacking in our world. Many people are full of worry and anxiety, their relationships are full of conflict and stress and our world is constantly full of unrest and wars. But this is where Jesus comes in. Because Jesus is not only our hope at Christmas, but he is also our Prince of Peace, and that is what the Advent candle of Peace is all about. The Christmas message is that Jesus brings us peace.

Peace, I leave with you, peace I give to you. I do not give as the world gives. Do not let your heart be troubled and do not be afraid. (John 14:27)

Instead of focusing on the things that bring you worry and fear, let us fix our eyes on Jesus, whose peace surpasses all understanding. This Advent, I encourage you to be intentional about sharing the light of God's peace-by comforting those in distress, offering kindness to others, and praying for our nation and the world.

May your holiday season be filled with peace of Christ that sustains us, even in the midst of uncertainty.

Happy Holidays,
Pastor Steve
